NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... A I Schmidt ....., of the S/S „OSCAR II" , from COPENHAGEN ..... , do
(State whether Master, First or Second Officer)
solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months. The latter applies only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien on arrival, as, for example, "coal engineer," "stationary engineer," "mining engineer," "civil engineer," "brass polisher," "steel polisher," "iron molder," "wood turner," etc., and not simply as "engineer," "polisher," "molder," "turner," or "laborer."

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make no distinction on the manifests, and corrections should be made, if necessary, by the immigrant inspectors, during the personal examination of aliens at ports.

Column 8 (*Whether able to read or not*).—This column is subdivided and contains the following question: "Can read whether not able to read (and how) or state if alien is unable to read and cannot be examined upon what ground)." In answering this question the entry should be "Yes" if the alien can read, and "No" if the alien is unable to read and cannot be examined upon account of illiteracy. The second branch of the question should be given no consideration.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which the alien is citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of the sheet. The entry should show the race or people of which the alien is a member.

Special attention is called to the close connection between race and the country of which citizen or subject. The races of the population of each race and country of birth, and manifests should be carefully checked to prevent erroneous entries in this regard. For instance, "France" appearing under the head of "Nationality" means "French," by race or people, and, naturally, "French" appearing under the head of "Race or people" means "France" by country. An Irish, German, or Hebrew alien can be a citizen or subject of England, Scotland, or any other country. In the case of each of the following nationalities the following rules should be carefully observed:

CUBAN

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN

West Indian" refers to the people of the West Indies, not to either Cubans or Negroes.

SPANISH AMERICAN

Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN—BLACK

African (Black)" refers to the African Negro, who is a native of Africa, or a descendant of the African Negro slave, born or sold under this heading.

ITALIAN—NORTH

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or in other countries, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN—SOUTH

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute a permanent residence. The last country in which an alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereat. The entries in Column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence the alien came*).—The entry should give name and address of alien's relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An entry of "Boston" or "Chicago" will not suffice. The State should always be given. The question, should show definitely the place in the State intended as future permanent residence, if within the United States, or the country, if outside the United States.

Column 14 (*Whether in possession of $50 and if less than $50 how much*).—The answer should be either Yes or No.

Column 15 (*Whether going to join relative or friend, and if so, what relative or friend*).—The entry should show definitely by whom passage was paid, whether by himself, by relative, friend, or other person, naming the latter, or by steamship company, etc.

Column 16 (*Whether in possession of ticket through to destination, and if not, how much will be required to complete*).—The answer should be either Yes or No.

Column 17 (*Whether ever before in the United States, and if so, when and where*).—The answer should show definitely by inquiry of each alien as to former visits to the United States. Money brought by the head of a family should not be counted as belonging to the several members of the family.

Column 18 (*Whether ever in prison or almshouse or supported by charity, and if so, what and when*).—The entries should show whether each alien has been in prison or almshouse or supported by charity, giving the name of institution, locality, and length of time.

Column 19 (*Whether coming to join husband, or father, or friend, and if so, what relative or friend*).—The answer should show what the alien is going to join, either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 37.—These questions are self-explanatory and the answers, like all others on the sheet, are subject to review by immigrant officers in the examination of aliens. However, in answering question 22, if alien has been deported more than one year and the Secretary of Labor has authorized him to reapply for admission, the necessity for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M. OLSEN, Surgeon of the S/S "OSCAR II", sailing therewith, do solemnly, sincerely, and truly **declare** that I have had 39 years' experience as a Physician 115 and Surgeon, and that I am entitled to practice as such by and under the authority of

ROYAL MEDICAL COLLEGE OF COPENHAGEN., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 26 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A I Schmidt, of the S/S „OSCAR II" from COPENHAGEN, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 24 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

ITALIAN NORTH

The people who are natives of the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Liguria, Venetia, and Lombardy, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other countries, should be classed as Italian north. Most of these people speak a Gaulic tribe of the Italian language.

ITALIAN SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as Italian south.

Column 11. *Last permanent residence.* A person in which alien resided with the intention of remaining one year permanent residence. The last country in which alien resided with the intention of remaining one year permanent residence. The last permanent residence regardless of his right of actual residence therein. The entries in column 11 should show country and city or town of last permanent residence. It is important for statistical purposes that foreign compound words accurately show country of last permanent residence independent of country of nationality, residence, country of birth, nationality, or race.

Entries of last permanent residence of aliens who are permanent residents of the United States and who return from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of relative in country whence alien came.* The alien should give name and address of such relative. If no such relative living give name and address of friend.

Column 13. *Final destination.* The alien's statement as to the intended future permanent residence. A person intending to remain permanently in the United States should write "United States." Intended future permanent residence within the United States should be stated as specifically as possible.

Column 14. *Whether ticket is paid for by himself or by other person or by relative in the United States, and how much money he has in his possession.* The answer should be either Yes or No.

Column 15. *Whether in possession of railroad ticket to final destination.* The answer should be either Yes or No.

Column 16. *Whether in possession of $50 and if not, by whom purchased.* The entry should show definitely by whom purchased, whether by himself, by relative, by friend, or by charitable or other society.

Column 17. *Whether going to join a relative or friend, and if so, what relative or friend, and how long such relative or friend has been in the United States.* The answer should be given in each case. Money brought by the head of a family covers the family.

Column 18. *Whether ever before in the United States, and if so, when and where.* The answer should be Yes or No. If the alien has been in the United States before and if so, the year or period of year and place should be stated.

Column 19. *Whether ever in prison or almshouse or supported by charity, and if so, what institution, when, and why.* The answer should be Yes or No. If the alien has been in prison or almshouse or supported by charity, the name of the institution, the time, and the cause should be stated.

Column 20. *Whether a polygamist.* This question is self-explanatory, and the answer, like all other answers, should be Yes or No. However, as the answer to this question may be influenced by instructions issued by the Department of Labor, and as the question "Is alien coming to the United States to practice polygamy?" is answered in the affirmative, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, [illegible] WOLGEN, Surgeon of the [illegible] TEUTONIC, do solemnly swear that I have had 39 years' experience as a Physician and Surgeon, and that I am regularly licensed to practice as such by and under the authority of

ROYAL MEDICAL COLLEGE OF COPENHAGEN,

and that I have made a personal examination of each of the persons named therein on the foregoing Lists or Manifest Sheets, 29 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

[illegible]

ITALIAN, NORTH

The people who are natives of that portion of Italy drained by the River Po (i. e., compartimenti of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian, north." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN, SOUTH

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartimenti of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian, south."

Column 11 (*Last permanent residence*). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be taken as the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show countries of last permanent residence (not country of birth, nationality, or race).

Countries of last permanent residence of aliens who are permanent residents of the United States and Canada should be recorded "United States."

Column 12 (*Name and complete address of relative or friend in country whence alien came*). The name and complete address of such relative. If no such relative, having given name and address, etc., should be stated.

Column 13 (*Final destination*). The answer to this question shall show the intended future permanent residence. Aliens should not be admitted unless they intend to establish permanent residence in the United States. Aliens coming to join relatives or friends should state whether the latter reside in the United States or elsewhere, and if in the United States, in what city or town and State.

Column 14 (*Whether having ticket through to such final destination*). The answer should be either Yes or No (ticket or No ticket).

Column 15 (*Whether in possession of $50 and if not, by whom purchased*). The entry should show definitely by whom passage was paid—whether by the alien himself, by father or other relative, friend, steamship company, etc.

Column 16 (*Whether in possession of $50 and if less than $50 how much*). The answer should give in each case the exact amount of money in possession, the average appearing under the family. The exact amount of money shown. Money brought by the head of a family should not be counted as that of the several members of the family.

Column 17 (*Whether ever before in the United States, and if so, when and where*). The entries should show whether the alien has been in the United States before, and if so, the year or period of year and place (city or State) of former residence.

Column 18 (*Whether going to join a relative or friend, and if so, what relative or friend, and address*). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. These questions are each explanatory and the answers like all others on the list are subject to inspection by immigrant officers in the examination of aliens. However, if an answer to question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. I. S[illegible], of the S/S „OSCAR II", from COPENHAGEN, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Name in full.* — Steamship lines should make entries in this column. The surname or family name should be given first, followed by the Christian name or names, and the latter should be indicated in this column in such a manner as to show clearly which is the surname and which the Christian name.

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government, or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. I Schmidt, (Master, First or Second Officer) of the S/S "OSCAR II" from COPENHAGEN, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section 2 thereof of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Columns 2, 3. *Head tax and visa.* Steamship lines should make no entries in these columns. The space will be used by the inspector.

Column 4. *Age.* Ages of one year or less should be expressed in fractions of months, the latter being reckoned as one month if less than a half month.

Column 5. *Sex.* The entry should be either M (male) or F (female).

Column 6. *Married or single.* The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien, whether skilled, unskilled, or professional. Do not enter laborer, farmer, servant, boy, girl, or child. Such terms as "gentleman" or "lady" are not sufficiently descriptive. Enter carpenter, joiner, cooper, blacksmith, shoemaker, stocking knitter, mantua maker, wood turner, etc., and not "mechanic." Enter also locksmith, gunsmith, clockmaker, tailor, seamstress, dressmaker, etc.

A distinction should be made between farmers and farm laborers, regardless of the amount of money possessed by the former.

A person who operates a farm, either for himself or for others.

A person who works on a farm for the man who operates it.

Such persons should receive careful attention at the ports and corrections should be made if necessary, by the inspector in charge during the personal examination of alien arrivals.

Column 8. *Able to read or not.* This column is subdivided and contains the following question:

Read what language (or dialect)? If exemption is claimed, state what ground.

In answering this question the alien will be asked to read and he will be required. If alien is unable to read and claims exemption from the test, he may be asked, orally, to read a few words. The answer should be given.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race or people to which each alien belongs.

Column 11. *Final destination.* Distinction between the country of which the citizen or subject is a native and the place to which he is going. Cities and towns, and sometimes States, should be carefully entered. Do not enter "this city" or "interior." Persons appearing under the following classes should be entered as follows: Jews, by country. An Irish, German, or Hebrew alien by birth, who has been for a number of years in England, Scotland, or any other country, should be entered from the country in which he last resided. The same rule should be observed in the case of Italians.

CUBAN

Any native or citizen of Cuba, regardless of color, should be entered as Cubans.

WEST INDIAN

Any person born in the British West Indies, other than either Cubans or Negroes.

SOUTH AMERICAN

This term is to refer to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

Africans and natives of the African Negro, whether immigrating from Continental Africa or the West Indies, North American Negroes, European or African. Any alien with admixture of blood of the African Negro should be classed under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and thereof, regardless of whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as Italian (north). Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po, i. e., compartments of Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia, and their descendants, should be classed as "Italian (south)."

Column 11. *Last permanent residence.* A question as to intended residence of one year should receive careful attention. The fact that an alien has been engaged for a definite period of time, or has received transportation to a point, will be the best guide as to whether or not he intends to remain one year. In cases of doubt, however, the inspector in charge will be governed by the facts developed at the examination. It is important for statistical purposes that the steamship companies accurately show country of last permanent residence, independent of country of temporary residence, country of birth, race, etc.

Country of last permanent residence of aliens who are permanent residents of the United States and who return to make a visit should not be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should be name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* The answer thereto should show the intended future permanent residence. An intended residence of one year should receive the same consideration as a permanent residence. Absence abroad for a temporary purpose will not be considered interruption of residence within the United States.

Column 14. *Whether in possession of $50 and whether ever before in U. S. and if so, when and where.* The answer should be either Yes or No, as the case may be.

Column 15. *Whether going to join a relative and name and complete address of such relative.* The answer should be either Yes or No, as the case may be.

Column 16. *Ever in prison or almshouse or institution for insane or supported by charity.* The entry should show definitely by whom passage was paid, and if by friend, relative, or other person, the name, relationship, and complete address should be given.

Column 17. *Whether in possession of $50 and if less how much.* The answer should be yes or no. Money brought by the head of a family should be considered as belonging to the several members of the family.

Column 18. *Whether ever before in the United States and if so, when and where.* The entries should show whether the alien was ever in the United States before, and if so, the year or period of years and place, as "1903, Philadelphia."

Column 19. *Whether going to join a relative or friend, and if so, what relative or friend.* The answer should show whether alien is to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 34. These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by inspection officers at the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M OLSEN, Surgeon of the S.S. OSCAR II, sailing therewith solemnly, sincerely, and truly declare that I have had 39 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ROYAL MEDICAL COLLEGE OF COPENHAGEN, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheet 29 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens. 151

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... A. I. Schmidt ..... , of the "S.S. OSCAR II" , from COPENHAGEN , do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER

Sworn to before me this 21 day of May 1920 , 19

at NEW YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4. *Age.* The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5. *Sex.* The entry should be either M, male, or F, female.

Column 6. *Married or single.* The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example: Civil engineer, clergyman, cook, laborer, tailor, dressmaker, barber, moulder, carpenter, brass polisher, steel polisher, iron moulder, wood turner, etc., and not merely laborer, engineer, tailor, moulder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of means shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Stockmen, plantation owners, etc., should make the distinction on the manifest, and no question should be made if necessary, but inspectors and examining officers during the personal examination of the aliens.

Column 8. *Whether read and write.* This column is to determine the following question: Read what language, if exemption be claimed upon what ground? In answering this question, the law requires that the alien be able to read, but not necessarily to write. A mere statement that the alien can or cannot read should be accepted. It is reasonable to read and claim the ability to read the alphabet. Exemption from the reading requirement, the proof to be shown, should be given.

Column 9. *Nationality.* Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of races printed on back of this sheet. The entry should show the race to which each alien belongs.

Care should be taken not to confuse race with the country of which the alien is a citizen or subject. For instance, a Scotch person should be entered as Scotch race and not as British race, a Welsh person as Welsh race and not as British race, a Canadian person as Canadian race and not as British race, a Cuban as Cuban race and not as Spanish race, a Mexican as Mexican race and not as Spanish race, a Chilean as Chilean race and not as Spanish race, a Peruvian as Peruvian race and not as CUBAN

The term "Cuban" refers to the Cuban people and Negroes of Cuba.

WEST INDIAN

West Indian refers to the people of the West Indies other than Cubans or Negroes of Cuba.

CENTRAL AMERICAN

Spanish American refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, the Hottentot, Bushman, Caffir, and other races of the West Indies, North or South America, Europe or Africa. Any alien with admixture of blood of the African Negro should be classed as African (black).

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Liguria, Lombardia, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria, Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallo-Italic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year is considered the last permanent residence. The length of residence regardless of length of actual residence there in. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that a town be not credited as country of birth, nationality, or race.

Last country of last permanent residence of aliens who are permanent residents of the United States and return thereto from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* The answer to this question shall show the intended future permanent residence. Aliens in transit through the country to a permanent residence in the United States should be so recorded. People who do not intend to remain permanently in the United States should not be listed. Do not enter "Ellis Island" or "New York."

Column 14. *Whether in possession of $50 and if not, by whom purchased.* The answer should be either Yes or No.

Column 15. *Whether ever before in U. S., and if so, when and where.* The entry should show definitely by whom passage was paid, as, for example, father, husband, other relative, friend, steamship company, etc.

Column 16. *Whether ever in prison or almshouse or supported by charity, and if so, which and when.* The answer should be either Yes or No.

Column 17. *Whether a polygamist.* Money brought by the head of a family should be entered in the column opposite his name. Money brought by the several members of the family should be entered in column 18 opposite their respective names.

Column 18. *Whether going to join a relative in the United States, and if so, what relative and where.* The entries should show whether the alien is going to join relatives in the United States before, and if so, the year or period of years when he last left that country. Philadelphia, Pa.

Column 19. *Ever in prison or almshouse or asylum, and if so, what relative or friend.* The answer should show whether the alien has ever been in prison, almshouse, or asylum, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self-explanatory and the answers, like all others on the sheet, are of great importance in the examination of aliens. However, in answering question 29, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. I Schmidt (State whether Master, First, or Second Officer), of the [illegible], from COPENHAGEN, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 8 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (*Head tax status*).—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 4 (*Age*).—The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (*Sex*).—The entry should be either M (male) or F (female).

Column 6 (*Married or single*).—The answer should be M (married), S (single), Wd (widowed), or D (divorced).

Column 7 (*Calling or occupation*).—The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as, for example: Civil engineer, stationary engineer, locomotive engineer, marine engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply as engineer, polisher, molder, turner, or other indefinite designation.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Some occupations should make this distinction on the manifests, and corrections should be made, where necessary, by inspectors and testifying clerks during the personal examination of alien arrivals.

Column 8 (*Able to read and write*).—This column is subdivided and contains the following question: Read what language [or, if exemption is claimed upon what ground]? In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9 (*Nationality*).—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (*Race or people*).—See list of races printed on back of this sheet. The entry should show the race, people, or kindred to which alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject. Country of last permanent residence and country of birth, and manifests should be carefully examined to insure correct entry in this regard. For instance, "France" appearing under the head of country of birth, and "French" being race or people, and, similarly, "French" appearing under head of country of last permanent residence, do not necessarily mean that alien is by country a native of or citizen of France, but may mean that he is a native of or citizen of Canada, or of some other country. An Irish, German, or Hebrew alien may be a native of, or citizen of, the following-designated countries, and should be described as such, and not as "English," "German," or "Russian," as the case may be:

ENGLAND, SCOTLAND, WALES

"English," "Scotch," "Welsh," refers to the people of Great Britain.

IRISH

"Irish" refers to the people of Ireland.

GERMAN

"German" refers to the people of Germany.

HEBREW

"Hebrew" refers to the people of Palestine, Judea, or the Jewish race.

CUBAN

"Cuban" refers to the Cuban people, but not Negroes.

WEST INDIAN

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH-AMERICAN

"Spanish-American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro who therefore from Cuba or other islands of the West Indies, South or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (*Last permanent residence*).—Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereof. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12 (*Name and complete address of nearest relative or friend in country whence alien came*).—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13 (*Final destination*).—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence within the United States, country, or outside the United States.

Column 15 (*Whether having ticket through to final destination*).—The answer should be either Yes (ticket) or No (no ticket).

Column 16 (*Whether in possession of $50 and if less how much*).—The answer should be Yes or No. Money brought by the head of a family should be counted as the property of the family, and not as that of the several members of the family.

Column 18 (*Whether ever before in the United States, and if so, when and where*).—The entries should show whether yes or no (Yes or No) in the United States before, and if so, the year or period of year—and place, as, 1893, 1897, Philadelphia.

Column 19 (*Whether going to join relative or friend, and if so, what relative or friend*).—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 23.—These questions are self-explanatory and the answers, like all others on the sheet are subject to verification by inspection officers at the examination of aliens. However, in answering question 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M OLSEN, Surgeon of the S/S "OSCAR II" sailing therewith, do solemnly, sincerely, and truly declare that I have had 39 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ROYAL MEDICAL COLLEGE OF COPENHAGEN., and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 5 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. I. INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is reserved for the use of the inspector only.

Column 3. *Age.*—The answer in this column should be expressed in years or months, the latter in case of children under 1 year of age.

Column 4. *Sex.*—The entry should be either M (male) or F (female).

Column 5. *Married or single.*—The answer should be M (married), S (single), Wd. (widowed), or D. (divorced).

Column 6. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as, for example: Civil engineer, stationary engineer, locomotive engineer, farmer, carpenter, bricklayer, painter, brass polisher, steel polisher, iron molder, wood turner, etc., and not merely laborer, engineer, or clerk.

Aliens to be so noted between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make their entries in the manifests, and corrections should be made if necessary, by the inspectors and recorded during the personal examination of alien arrivals.

Column 8. *Able to read or not.*—This column is subdivided and contains the following question: Can he read? Can he write? Has column 9 such divided and contains the following question: Read what language or dialect the alien is able to read, should be stated. If alien is unable to read and claims the privilege of dialect the alien is able to read, should be stated. If alien is unable to read and claims exemption from the test by reason of the ground for such exemption should be given.

Column 9. *Nationality.*—Question 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.*—Specific races put to test on back of this sheet. The entry should show the race or people to which an alien is said to belong.

Special attention should be paid to the distinction between race and the country of which citizen or subject, or entry of last permanent residence and nationality of birth, and manifests should be carefully reviewed to insure correct and consistent entries in this regard. For instance, "France" appearing under the head of race or people, and, similarly, "French" appearing under the head of nationality, does not mean "French" as a race or people, and, similarly, "French" appearing under the head of nationality does not mean a native of France, by country. An Irish, German, or Hebrew alien by race or people does not mean a native of Ireland, Germany, or any other country. In the case of persons coming under the heads of England, Scotland, Switzerland, or any other country, the following distinctions should be especially observed:

CUBAN

The term "Cuban" refers to the Cuban people and Negroes.

WEST INDIAN

"West Indian" refers to the peoples of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether coming from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. Any alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.*—Only final or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.*—The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.*—The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show definitely the place, city or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether has ticket to such final destination.*—The answer should be either Yes (ticket) or No (no ticket).

Column 15. *Whether has paid for own passage; if not, by whom passage paid.*—The entry should show definitely by whom passage was paid, as "Self," "Father," "Husband," "Wife," "Brother," "Sister," "Grandfather," "Grandmother," "Uncle," "Aunt," "Cousin," "Friend," "Employer," "Steamship company," etc.

Column 16. *Whether in possession of $50 and if less how much.*—The answer should give in each case the exact amount of money in possession of alien, whether the same be $50 or more or less than $50. Money brought by the head of a family should be considered as belonging to the family, and the exact amount of money shown in the possession of the family should be stated, but it will not be necessary to enumerate the several members of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.*—The entries should show whether the alien has been in the United States before, and if so, the year or period of years and place, as: 1891–1897, Philadelphia.

Column 18. *Whether going to join relative or friend, and if so, what relative or friend.*—The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33.—These questions are self explanatory and the answers, like all others on the sheet are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A I Schmidt (State whether Master, First, or Second Officer), of the "S.S. OSCAR II", from COPENHAGEN, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 26 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

MASTER

Sworn to before me this 31 day of May, 1920, 19

at NEW YORK

Immigration Officer.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.* Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* The answer in this column should be expressed in years or months, the latter applying only to children under 1 year of age.

Column 4. *Sex.* The entry should be either M male or F female.

Column 5. *Married or single.* The answer should be M married, S single, Wd widowed, or D divorced.

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation (trade or profession) of each alien, as for example: Cotton miner, farmer, stonecutter, bricklayer, carpenter, engineer, tailor, healeswoman, etc., and not simply laborer, which is indefinite and insufficient. Aliens formerly engaged in any trade or profession, but not following any at present, should be returned as "No occupation." Wives and children should be returned as having occupations, if they have any, and not merely as "Housework" or "None." Particular care should be taken to distinguish between skilled and unskilled workers, and all persons who work for wages should be returned as laborers, regardless of the character of the work performed. A clear distinction should be made between farmers and farm laborers, to enable statistics of the amount of money invested in farming to be compiled. A farmer is one who operates a farm, either for himself or for others. A farm laborer is one who works on a farm for the man who operates it. Steamship companies should make this distinction on the manifest, and corrections should be made if necessary by the inspector at the time of the primary examination of alien arrivals.

Column 8. *Nationality.* The column is subdivided and contains the following question: Read what language [or if exempt from reading, upon what ground]? In answering this question the agent or other officer should be able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality (country of which citizen or subject).* The word "nationality" should be construed to mean the country of which alien is a citizen or subject.

Column 10. *Race or people.* See list of race or people on back of this sheet. The entry should show the race or people to which each alien belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence and country of birth, and inattention should be carefully avoided. Persons born in Ireland, Scotland, Wales, England, Germany, France, Italy, Spain, Russia, Poland, Turkey, Greece, Portugal, Holland, Belgium, Switzerland, Norway, Sweden, Denmark, Finland, Iceland, Hungary, Austria, Bohemia, Canada, Mexico, Cuba, Porto Rico, Central America, South America, Europe, Asia, Africa, Australia, New Zealand, the Philippine Islands, Hawaii, or any other country, should not be returned as "Irish," "Scotch," "Welsh," "English," "German," "French," "Spanish," "Russian," "Polish," "Turkish," "Greek," "Portuguese," "Dutch," "Belgian," "Swiss," "Norwegian," "Swedish," "Danish," "Finnish," "Icelandic," "Hungarian," "Austrian," "Bohemian," "Canadian," "Mexican," "Cuban," "Porto Rican," "Central American," "South American," "European," "Asiatic," "African," "Australian," "New Zealander," "Philippine," "Hawaiian," or other similar designations, which may refer to race or people, but to the country of birth, country of nationality, or country of last permanent residence of alien. In the case of persons born in the British Isles, Germany, France, Italy, Spain, Russia, Poland, Turkey, Greece, Portugal, Holland, Belgium, Switzerland, Norway, Sweden, Denmark, Finland, Iceland, Hungary, Austria, Bohemia, Canada, Mexico, Cuba, Porto Rico, Central America, South America, Europe, Asia, Africa, Australia, New Zealand, the Philippine Islands, Hawaii, or any other country, the following distinctions should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people, not Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who has come from Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, France, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or an intended residence of one year shall constitute permanent residence. The last country in which aliens resided with the intent of remaining one year or more shall be the last permanent residence, regardless of length of actual residence thereof. The entries for this column should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence, independent of country of race or people, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and return from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should show name and address (such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* The answer to this question shall show the intended future permanent residence. An intended residence of one year shall constitute permanent residence. The entry should show the place, city, or town of intended future permanent residence if within the United States. Do not accept "New York City."

Column 14. *Whether having ticket through to final destination.* The answer should be either Yes (ticket) or No (no ticket).

Column 15. *By whom passage paid.* The entry should show definitely by whom passage was paid, as "Self," "Husband," "Father," "Mother," "Brother," "Sister," "Friend," "Steamship Company," etc.

Column 16. *Whether in possession of $50 and if less how much.* The answer should give in each case the exact amount of money, if any, in possession of alien. Money brought by the head of a family or guardian of a group of aliens should be counted as part of the amount in possession of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.* The entries should show whether or not "Yes" or "No" in the United States before, and if "Yes" the year or period of years and place, as "1907, 1917, Philadelphia."

Column 18. *Whether going to join relative or friend, and if so, what relative or friend.* The answer should show whether going to join (either a relative or friend, and if so, what relative or friend, with name and complete address.

Column 20 to 23. These questions are self-explanatory and the answers, like all others on the sheet are subject to revision by the inspector in charge at the examination of aliens. However, in answer to question 23, if alien is being deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 1. *Number.* Steamship lines should make no entries in this column. The space is for the use of the immigration officials.

Column 2. *Last name in full.* The surname or last name should be entered first, then the Christian name in full, as Smith, John; Brown, Mary Ann; Johnson, Charles Edward; Williams, Thomas Jones.

Column 3. *Age.* The entry should be the number of years, as 25. If under one year, state months, as 6 months. If between one and two years, state number of months, as 18 months.

Column 4. *Sex.* The entry should be M male or F female.

Column 5. *Married or single.* The answer should be M married, S single, Wd widowed, or D divorced.

Column 6. *Calling or occupation.* The entry should describe as accurately as possible the occupation of each alien of 14 years and over, stating whether skilled or unskilled. Persons without occupation, as housewives, children, etc., should be so returned. Do not enter laborer, farmer, or other indefinite description.

Aliens coming to the United States to follow some specified occupation should be carefully examined as to their ability to perform the work they claim to have been engaged to do, and the fact of such engagement should be carefully investigated.

Aliens coming to work on farms should be questioned as to their experience in farming, whether they have been accustomed to work on a farm for the owner who sent for them, and whether they have the means to pay their railroad fare to the farm. Such aliens should be closely questioned as to their intentions to remain permanently in the United States.

Aliens coming to follow a trade or profession should be questioned as to their ability to read and write, and if practicable should be required to read and write a few words in order that the immigrant inspector may be assisted in determining whether they belong to the class which is literate or illiterate.

Aliens coming to work in mines should be questioned as to whether they have been employed at mining before coming to the United States, and if so, where and for how long a time.

Laborers should be described as such. Do not enter as laborers persons who have been engaged in any skilled trade, such as bricklayer, mason, carpenter, painter, tinner, stone cutter, stone mason, iron worker, machinist, cabinet maker, tailor, tailoress, dressmaker, milliner, upholsterer, locksmith, gunsmith, silversmith, goldsmith, engraver, die sinker, moulder, boilermaker, engineer, conductor, locomotive engineer, railroad employee, electrician, fireman (not locomotive), engineer (not locomotive), surveyor, photographer, lithographer, compositor, pressman, bookbinder, electrotyper, stereotyper, glass blower, glass cutter, glass worker, potter, saddler, harness maker, horseshoer, tanner, butcher, slaughterer, miller, glover, milliner, seamstress, upholsterer, decorator, jeweler, watchmaker, metal polisher, cabinet maker, wood carver, brass polisher, steel polisher, pearl worker, wood turner, etc., as it is presumed that persons following these occupations are skilled workers.

Aliens coming to work in factories should be questioned as to whether they have been employed in the factory where they propose to work, and if so, for how long a time.

Aliens coming to work in coal mines should be questioned as to whether they have been employed in coal mines before coming to the United States, and if so, for how long a time.

Aliens coming to work on railroads should be questioned as to whether they have been employed on railroads before coming to the United States, and if so, for how long a time.

Aliens coming to work in sugar mills or on sugar plantations should be questioned as to whether they have been employed in sugar mills or on sugar plantations before coming to the United States, and if so, for how long a time.

Laborers should be divided into agricultural laborers and other laborers.

An agricultural laborer is one who performs farm labor for the owner of a farm or for a tenant who operates it.

A farmer is one who operates a farm either for himself or for others.

A gardener is one who works on a farm for the man who operates it.

Aliens coming to be domestic servants should be questioned upon the manifests, and corrections should be made if the persons actually engaged in the occupations specified are not those who were engaged when the manifests were originally prepared.

Column 7. *Nationality.* This column is solely intended to obtain the following information:

Race or people. (See list of races printed on back of this sheet.) The entry should show the race or people to which each alien belongs, whether English, Scotch, Irish, German, French, Italian, Spanish, Portuguese, Russian, Polish, Finnish, Hebrew, Bohemian, Magyar, Dalmatian, Croatian, Servian, Ruthenian, Greek, Lithuanian, Roumanian, Slovak, Bulgarian, Turkish, Armenian, Syrian, Japanese, Chinese, Hindu, East Indian, Mexican, Negro, Indian, Pacific Islander, or other race or people, and not the country of which the alien is a citizen or subject.

Care should be taken to enter the race or people correctly, as the figures in the last column of the report are compiled from the entries in this column.

Column 8. *Country of which citizen or subject.* The country to which each alien belongs politically should be entered, as Great Britain, Germany, France, Russia, Italy, Spain, Portugal, Sweden, Norway, Denmark, Finland, Poland, Austria-Hungary, Turkey, Greece, Roumania, Bulgaria, Servia, Montenegro, Japan, China, Mexico, Cuba, Haiti, Santo Domingo, Central American States, South American States, Liberia, Hawaii, Philippine Islands, Porto Rico, Cuba, Canada, Newfoundland, Australia, New Zealand, India, Arabia, Africa, Turkey in Asia, Asiatic Russia, Siberia, Persia, Afghanistan, Thibet, Siam, Borneo, Sumatra, Java, Philippine Islands, Corea, Australia, New Zealand, Africa, Atlantic Islands, Pacific Islands, West Indies, Central America, South America, Europe, Asia, or other country. In the case of Austria-Hungary, Great Britain, Switzerland, or any

NOTE.—Full text of question 24 is as follows: Whether a person who believes in or advocates the overthrow by force or violence of the Government of the United States or of all forms of law, or who disbelieves in or is opposed to organized government, or who advocates the assassination of public officials, or who advocates or teaches the unlawful destruction of property, or is a member of or affiliated with any organization entertaining and teaching disbelief in or opposition to organized government or which teaches the unlawful destruction of property, or who advocates or teaches the duty, necessity, or propriety of the unlawful assaulting or killing of any officer or officers, either of specific individuals or of officers generally, of the Government of the United States or of any other organized government because of his or their official character.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, ... A I Schmidt ..., of the ... "S.S. OSCAR II" ..., from COPENHAGEN ..., do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 27 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2 (Head tax status). Steamship lines should make no entries in this column. The space is for vessel Government officials only.

Column 4 (Age). The answer in this column should be expressed in years or months, the latter applying only to those under 1 year of age.

Column 5 (Sex). The entry should be either M (male) or F (female).

Column 6 (Married or single). The answer should be M (married), S (single), Wd (widow), or D (divorced).

Column 7 (Calling or occupation). The entry should describe as accurately as possible the occupation, trade, or profession of each alien arrival, as for example, Civil engineer, stationary engineer, locomotive engineer, mining engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply "engineer," "polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man who operates it.

Steamship companies should make this distinction on the manifests, and corrections should be made if necessary, by inspectors and registry clerks during the personal examination of aliens at arrivals.

Column 8 (Able to read and write). This column is subdivided and contains the following question: "Read what language [or, if exemption is claimed, upon what ground]." In answering this question the language or dialect the alien is able to read should be stated. If alien is unable to read and claims exemption from the reading requirement, the word French exemption should be given.

Column 9 (Nationality). Space on 9 should be construed to mean the country of which alien is a citizen or subject.

Column 10 (Races, people). See list of races printed on back of this sheet. The entry should show the race or people to which he belongs.

Special attention should be paid to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and inmates should be carefully questioned by inspectional registry clerks on this point. For instance, "France" appearing under the heading of country of birth may indicate "Alsatian" by race or people, and, similarly, "French" appearing under heading of country of last permanent residence may indicate "Breton" by race or people. "English," "Irish," "Scotch," or "Welsh" should be entered as the race or people, and not as the country. An Irish, German, or Hebrew alien may be a citizen or subject of any one of the countries of the world, and the entry under this column must be carefully considered with reference to the heading of England, Scotland, or any other country. In this connection the following distinctions should be especially observed:

CUBAN

"Cuban" refers to the Cuban people (not Negroes).

WEST INDIAN

"West Indian" refers to the people of the West Indies (other than either Cubans or Negroes).

SPANISH AMERICAN

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK)

"African (black)" refers to the African Negro, whether born in Cuba or other islands of the West Indies, North or South America, Europe, or Africa. An alien with admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH)

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH)

The people who are natives of that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11 (Last permanent residence). Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence thereon. The entries in column 11 should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence (aliens who are permanent residents of the United States and are returning from a visit abroad should be recorded "United States").

Column 12 (Name and complete address of nearest relative or friend in country whence alien came). The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 14 (Final destination). The answer to this question shall show the intended future permanent residence. An intended residence for one year should constitute permanent residence. The entry should show definitely the place (city or town) of intended future permanent residence, if within the United States; country, if to remain in the United States.

Column 15 (Whether in possession of $50 and how much; whether ticket to final destination). The answer should be either Yes or No (yes or no, ticket).

Column 16 (By whom was passage paid). The entry should show definitely by whom passage was paid, i. e., if by himself, father, brother, or other relative, friend, steamship company, etc.

Column 17 (Whether in possession of $50 and if less how much). The answer should give in each case individual amount of money shown. Money brought by the head of a family should be considered as that of the several members of the family.

Columns 18 (Whether ever before in the United States, and if so, when and where). The entries should show whether or not (yes or no) alien has been in the United States before, and if so, the year or period of years and place (as "1903, N. Y." or "Philadelphia").

Column 19 (Whether going to join relative or friend, and if so, what relative or friend). The answer should show whether going to join either a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 20 to 33. These questions are self explanatory and the answers, like all others on the sheet, are subject to revision by inspection officers in the examination of aliens. However, in answering question 26, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M OLSEN, Surgeon of the S/S „OSCAR II" sailing therewith, do solemnly, sincerely, and truly declare that I have had 39 years' experience as a Physician and Surgeon, and that I am entitled to practice as such by and under the authority of ROYAL MEDICAL COLLEGE OF COPENHAGEN, and that I have made a personal examination of each of the aliens named herein, and that the foregoing Lists or Manifest Sheets, 29 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

165/13

Sworn to before me this 31 day of MAR 1920, 19

at NEW YORK

Note.—If any alien mentioned in the foregoing Lists or Manifest Sheets is not included in the certificate of the Surgeon, the reason therefor must be stated.

If no surgeon is carried with the vessel, the certificate must be made by the chief officer of the vessel, or by the master of the vessel, as the case may be.

LIST OF RACES OR PEOPLES

"Race or people" is to be determined by the stock from which aliens sprang and the language they speak. The original stock or blood shall be the basis of the classification, the mother tongue to be used only to assist in determining the original stock.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A I Schmidt (State whether Master, First, or Second Officer), of the S/S OSCAR II, from COPENHAGEN, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets. 29 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax.* Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Age.* The answer in this column should be expressed in years, or months, the latter applying only to those under 1 year of age.

Column 4. *Sex.* The entry should be either M, male, or F, female.

Column 6. *Married or single.* The answer should be M, married, S, single, Wd, widowed, or D, divorced.

Column 7. *Calling or occupation.* The entry should describe as accurately as possible the occupation or trade of the person at the time of his arrival, as, for example: Civil engineer, laboratory engineer, locomotive engineer, stationary engineer, brass polisher, steel polisher, iron molder, wood turner, etc., and not simply engineer, polisher, molder, turner, or other indefinite designations.

A distinction should be made between farmers and farm laborers, regardless of the amount of money shown, as follows:

A farmer is one who operates a farm, either for himself or for others.

A farm laborer is one who works on a farm for the man, whoever he is, who operates it.

Steamship companies should base their entries on the manifests, and no changes should be made in the entries by inspection clerks during the personal examination of such aliens.

Column 8. *Nationality and race.* This column is subdivided and contains the following questions: Read what language (or dialect) spoken and what grade. If alien is unable to read and claims exemption from the reading requirement, the ground for such exemption should be given.

Column 9. *Nationality.* Only in such doubtful cases as may be referred to the Commissioner of Immigration should the country of which alien is a citizen or subject be entered.

Column 10. *Race.* See list of races printed on back of this sheet. The entry should show the race of every person mentioned.

Special attention is invited to the distinction between race and the country of which citizen or subject, country of last permanent residence, and country of birth, and manifests should be carefully revised by the person who makes the entries to avoid errors in these particulars. For instance, "France" appearing under the head of "Race or people" may refer to the Basque people, and similarly, "French" appearing under the head of "Nationality" may refer to the Province of Brittany. An Irish, German, or Hebrew alien born in Canada is properly a native of the Dominion of Canada, and not of Ireland, Germany, Switzerland, or any other country. In this connection the following explanations should be especially observed:

CUBAN.

The term "Cuban" refers to the Cuban people of Negroes.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SOUTH AMERICAN.

"South American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (Black)" refers to the African Negro, whether born in Africa or in the West Indies, South or North America, Europe, or Africa. An alien with a admixture of blood of the African Negro should be classified under this heading.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia) and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the Italian language.

ITALIAN (SOUTH).

The people who are native to that portion of Italy south of the basin of the River Po (i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 11. *Last permanent residence.* Actual or an intended residence of one year shall constitute permanent residence. The last country in which alien resided with the intention of remaining one year or more shall be the last permanent residence regardless of length of actual residence therein. The entries in response to this question should show the country and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence, country of birth, nationality, or race.

Country of last permanent residence of aliens who are permanent residents of the United States and returning from a visit abroad should be recorded "United States."

Column 12. *Name and complete address of nearest relative or friend in country whence alien came.* The entry should give name and address of such relative. If no such relative living, give name and address of friend.

Column 13. *Final destination.* The answer to this question shall show the intended future permanent residence. Aliens going to a hotel or to some certain shall not constitute permanent residence. The entry should show definitely the place, city, or town of intended future permanent residence, if within the United States; country, if outside the United States.

Column 14. *Whether in possession of $50, and if less how much.* The answer should be either Yes (ticked) or No (crossed).

Column 15. *Whether ticket paid by whom.* The entry should show definitely by whom passage was paid, as self, husband, father, mother, or other relative, friend, steamship company, etc.

Column 16. *Whether in possession of $50, and if less how much.* The answer should give in each case the sum (not by groups of tens) in possession of alien. Money brought by the head of a family, should not be divided; nor should the several members of the family.

Column 17. *Whether ever before in the United States, and if so, when and where.* The entries should show whether yes (Y) or no (N) in the United States before, and if so, the year or period of years and place, as 1901, 1907, Philadelphia.

Column 18. *Whether going to join relative or friend, and if so, what relative or friend.* The answer should show whether going to join, either a relative or friend, with name and complete address.

Columns 20 to 24. These questions are self-explanatory and the answers, like all others on the sheet, are subject to verification by inquiry of aliens prior to the examination of aliens. However, in answer to query 23, if alien has been deported within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

AFFIDAVIT OF SURGEON

I, M OLSEN, Surgeon of the [illegible], sailing therewith, do solemnly, sincerely, and truly declare that I have had 39 years' experience as a Physician and Surgeon, and that I am entitled to practise as such by and under the authority of the

ROYAL MEDICAL COLLEGE OF COPENHAGEN. and that I have made a personal examination of each of the aliens named herein, and that the foregoing List or Manifest Sheet 27 in number, according to the best of my knowledge and belief, are full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

AFFIDAVIT OF THE MASTER OR COMMANDING OFFICER, OR FIRST OR SECOND OFFICER

I, A. I Schmidt (State whether Master, First, or Second Officer), of the OSCAR II, from COPENHAGEN, do solemnly, sincerely, and truly declare that I have caused the surgeon of said vessel sailing therewith, or the surgeon employed by the owners thereof, to make a physical and mental examination of each and all of the aliens named in the foregoing Lists or Manifest Sheets, 9 in number, and that from the report of said surgeon and from my own investigation, I believe that no one of said aliens is of any of the classes excluded from admission into the United States by section three of the Immigration Act, and that also, according to the best of my knowledge and belief, the information in said Lists or Manifests concerning each of said aliens named therein is correct and true in every respect.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax status.*—Steamship lines should make no entries in this column. The space is for use of Government officials only.

Column 3. *Last residence.*—The answer in this column should be expressed in words, the latter applying only to those who have resided for more than one year in the country last inhabited by them.

Column 4. *Sex.*—The entry should be either M, male, or F, female.

Column 5. *Married or single.*—The answer should be M, married, S, single, W, widowed, or D, divorced.

Column 7. *Calling or occupation.*—The entry should describe as accurately as possible the occupation, trade, or profession of each alien, as for example, civil engineer, tailoress, mason, carpenter, merchant, clerk, bookkeeper, stenographer, printer, engraver, brass polisher, steel polisher, metal rubber, wood turner, cabinet maker, seamstress, housekeeper, nurse, or other definite designation.

A "laborer" should be made between farmers and farm laborers, regardless of the amount of money shown.

A "farmer" is one who operates a farm, either for himself or for another.

A "gardener" is one who works on a farm for the man who operates it.

Specific answers should be made to each of the foregoing questions, and corrections should be made if necessary, by steamship agents before the manifests are delivered to the inspection officers. Steamship agents should make this duty known to the masters, and when arrivals of more than 100 aliens are reported, one inspector and necessary clerks may be detailed to board the vessel and examine the following questions:

Column 8. *Able to read.*—This column is to be added and requires the following question: Can the alien read? The answer should be "Yes" or "No." It does not relate to reading any particular language, but to the ability to read the ordinary printed matter of the day.

Column 9. *Race or people.*—The answer should be expressed by the country of which the race or people are natives, as "English," "French," "Irish," "German," "Italian," "Polish," "Russian," "Spanish," "Scandinavian," "Dutch," "Flemish," "Hebrew," "Bohemian," "Moravian," "Slovak," "Croatian," "Dalmatian," "Servian," "Ruthenian," "Bulgarian," "Roumanian," "Portuguese," "Turkish," "Armenian," "Syrian," "Greek," "Finnish," "Lithuanian," "Magyar," "Mexican," "West Indian," "East Indian," "Japanese," "Chinese," "Korean," "Pacific Islander," "South American," "African (black)," or "African (white)."

NOTES.

The term "Cuban" refers to the Cuban people born or residing in Cuba.

WEST INDIAN.

"West Indian" refers to the people of the West Indies other than either Cubans or Negroes.

SPANISH AMERICAN.

"Spanish American" refers to the people of Central and South America of Spanish descent.

AFRICAN (BLACK).

"African (black)" refers to the African Negro who is coming from Cuba or other land of the West Indies, South or Central America, Europe, or Africa. An alien with admixture of blood of the African Negro will be classified under this heading.

ITALIAN (NORTH).

The people who are native to that section of Italy drained by the River Po, i. e., compartments of Piedmont, Lombardy, Venetia, and Emilia, and their descendants, whether residing in Italy, Switzerland, Austria-Hungary, or any other country, should be classed as "Italian (north)." Most of these people speak a Gallic dialect called the Lombard language.

ITALIAN (SOUTH).

The people who are native to that section of Italy south of the basin of the River Po, i. e., compartments of Liguria, Tuscany, the Marches, Umbria, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia and their descendants, should be classed as "Italian (south)."

Column 10. *Last permanent residence.*—Actual or attempted residence of one year shall constitute permanent residence. The last country in which aliens resided with their previous purpose of remaining one year or more shall be the last permanent residence and classed for the factual residence therein. The entries in column 10 should show the country, and city or town of last permanent residence. It is important for statistical purposes that steamship companies accurately show country of last permanent residence independent of country of temporary residence or country of birth, nationality, or race.

Country of last permanent residence for aliens who are permanent residents of the United States and returning from a visit abroad is the United States.

Column 11. *Destined to the United States.*—The answer should be "Yes" or "No." It does not relate to the intended future permanent residence of a woman who is married to a husband who is a resident of the United States.

Column 12. *Whether ticket is through.*—The answer should be either Yes or No. Through tickets are those which are purchased in the country of last permanent residence.

Column 13. *Final destination.*—The entry should show definitely by whom passage was paid, whether by the alien himself, by relatives, or by friends, and the name and complete address of the person who paid the passage. Money brought by the head of a family to pay the passage of other members of the family should be considered as paid by the head.

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend, with name and complete address.*—The answer should show whether the alien is going to join a relative or friend, and if so, what relative or friend, with name and complete address.

Columns 15 to 20.—These questions are self-explanatory and the answers, like all others on the sheet, are to be given due consideration by the officers in the examination of aliens. However, in answering question 20, that each alien be detained within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

Record on this blank [illegible]

AFFIDAVIT OF SURGEON

I, M OLSEN, Surgeon of the „OSCAR II" sailing therefrom, do solemnly, sincerely and truly declare that I have acted 39 years' experience as a Physician and Surgeon, and that I am duly qualified to practice as such by and under the laws of the ROYAL MEDICAL COLLEGE OF COPENHAGEN. and that I have made a personal examination 19 of each of the aliens whose names appear on the foregoing list or manifest and to the best of my knowledge and belief, the full, correct, and true in all particulars relative to the mental and physical condition of such aliens.

INSTRUCTIONS FOR FILLING ALIEN MANIFESTS

Separate sheets should be prepared for each port at which passengers embark.

Column 2. *Head tax.* [illegible] a cross line should be made in ink across the column. The space is reserved for the use of the inspector.

Column 3. *Last name.* In this column should be entered the last name, or surname, of each alien, the letters [illegible] Plainly written [illegible] other Manifests [illegible].

Column 4. *Full name.* The given name should be entered in full, whether Christian or baptismal name. The name should be written in the order usual in the English language, as [illegible] Middle name or initial, if any, should be given. Aliens should be listed alphabetically according to the first letter of the surname, but the names of all members of a family should be entered in the order of age, the father's name first, if living, then the mother's, then the children's, and so on. Titles, such as Mr., Mrs., Miss, Dr., Rev., etc., should be omitted.

Column 5. *Age.* Write the age of each alien last birthday. If under 1 year, write the number of months, as 6 mos., 11 mos., etc.

Column 6. *Sex.* Write whether male or female, as the case may be, by the letter M or F.

Column 7. *Married or single.* Write the word married or single, as the case may be, to show the conjugal condition of each alien.

Column 8. *Calling or occupation.* Write the occupation of each alien, if any, as far as possible. Children and persons of no occupation should be entered as such. Avoid the use of indefinite terms, such as laborer, clerk, manufacturer, etc., as far as practicable. Be specific, as [illegible] carpenter, cooper, tailor, seamstress, housekeeper, servant, etc., as the case may be. Persons under 10 years of age, unless otherwise specifically required to make entries, may be entered as "none."

Column 9. *Nationality.* Write the nationality of each alien, as Irish, Scotch, German, French, Swedish, Italian, Russian, Polish, Spanish, Portuguese, Dutch, Flemish, Greek, Turkish, Armenian, Bohemian, Magyar, Finnish, Slovak, Croatian, Roumanian, Japanese, Chinese, Hindu, Mexican, Cuban, West Indian, Central American, South American, Negro, Syrian, Arabian, Egyptian, Indian, or other nationality, as the case may be.

Column 10. *Race or people.* This column is to be carefully filled in, and the race or people of each alien entered, whether Anglo-Saxon, Celtic, Bohemian, Magyar, Finnish, Slovak, Croatian, Roumanian, Japanese, Chinese, Hindu, Mexican, Cuban, West Indian, Central American, South American, Negro, Syrian, Arabian, Egyptian, Indian, or other race or people, as the case may be. The word "Hebrew" should not be entered in this column, as it is not a race or people. Under the caption "Hebrew" may be entered Russian Hebrew, German Hebrew, English Hebrew, etc., as the case may be. Under no circumstances should the word "Jew" be entered in this column.

Column 11. *Last residence.* Write the last place of residence of each alien, whether in the United States or foreign country, by giving the city or town and country. Do not enter merely "United States" or "America."

Column 12. *Destination.* Write the destination of each alien, by giving the city or town and State. Do not enter merely "United States" or "America."

Column 13. *Ticket.* Write whether ticket is "through" or "local."

Column 14. *Whether going to join a relative or friend, and if so, what relative or friend.* Write the word "relative" or "friend," as the case may be, to show whether the alien is going to join a relative or friend, and if so, what relative or friend. Write also the name and complete address of such relative or friend.

Column 15. *Whether in possession of $50 and if not, how much.* Write the word "yes" or "no," as the case may be, to show whether the alien has in his possession fifty dollars in money, and if not, how much he has in his possession. Money in any form may be counted, but a steamship ticket should not be considered as money.

Column 16. *Whether ever before in the United States, and if so, when and where.* Write the word "yes" or "no," as the case may be, to show whether the alien has been in the United States before, and if so, the year or period of year and place or places, as "1903, Philadelphia."

Column 17. *Whether going to join a husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, niece, or any other relative (specify which).* The question is to be answered by the word "yes" or "no," as the case may be, to show whether the alien is going to join a husband, wife, father, mother, grandparent, child, brother, sister, uncle, aunt, cousin, nephew, niece, or any other relative, and if so, which relative.

Column 18. *Name and complete address of relative or friend in the United States whom alien intends to join.* The answer to this question is to be written in such a manner as to show clearly the name and complete address of the relative or friend in the United States whom the alien intends to join, as "John Smith, 1482 Broadway, New York City."

Column 19. *Ever in prison, almshouse, asylum, or hospital; if so, where and what cause.* The answer to this question is self-explanatory, and the answers like all others in the list are subject to the scrutiny of the examining officers. However, if the answer to question 20, if given, has been of a period within one year and the Secretary of Labor has authorized him to reapply for admission, the authority for such reapplication should be given.

ITALIAN (NORTH).

The people who are native to the basin of the River Po in northern Italy (i. e., compartments of Piedmont, Lombardy, Venetia, and Liguria and the districts which according to Italy, Switzerland, Austria, Hungary, and [illegible] should be classed as "Italian (north)." Most of these people speak a Gallic dialect of the French language.

The people who are native to that part of Italy south of the basin of the River Po (i. e., compartments of Tuscany, Umbria, the Marches, Latium, Rome, the Abruzzi and Molise, Campania, Apulia, Basilicata, Calabria, Sicily, and Sardinia) and their descendants should be classed as "Italian (south)."

Column 21. *Condition.* Write the word "good" or "poor," as the case may be, to show the condition of each alien as to health, mental and physical. The examining officers are especially charged with the duty of ascertaining the condition of each alien applying for admission, and the entry in this column is for the information of the officers.

Column 22. *Deformed or crippled.* Write the word "yes" or "no," as the case may be, to show whether the alien is deformed or crippled. The examining officers are especially charged with the duty of ascertaining whether aliens are deformed or crippled, and the entry in this column is for the information of the officers.

Column 23. *Height.* Write the height of each alien in feet and inches, as 5 feet 6 inches, 5 feet 10 inches, etc.

Column 24. *Complexion.* Write the complexion of each alien, as light or dark.

Column 25. *Color of hair and eyes.* Write the color of hair and eyes of each alien, as light hair and blue eyes, dark hair and eyes, auburn hair and gray eyes, etc.

Column 26. *Marks of identification.* Write any marks of identification of each alien, as scar on face, mole on neck, etc.

Column 27. *Place of birth.* Write the place of birth of each alien, by giving the city or town and country. Do not enter merely "United States" or "America."

Column 28. *Immigrant or non-immigrant.* Write the word "immigrant" or "non-immigrant," as the case may be, to show whether the alien is an immigrant or non-immigrant. Under the law, the term "immigrant" means all aliens except those specifically exempted, and the term "non-immigrant" means only those aliens specifically exempted.

Column 29. *If not admissible, final decision.* This column is to be left blank.
